Guatemala Action Project (GAP) Update:

Times they are a-changing! The GAP program has been going through a lot of exciting changes this year. Last year we closed the chapter of our partnership with Vine and Branches. We are now working on establishing a partnership with an incredible organization called AMI San Lucas. This is a branch of the Luke Society, and the work they've done, and continue to do, is astonishing. We were able to meet with them last year and learn about their work. They focus on areas like: Women's work (health promotion, generating income, leadership development), Churches (empowering, training, etc.), Youth (identity in Christ, health, relationships), and Healthcare (operating a clinic, providing training in communities, preventative health, etc.) They also provide latrines and updated stove ventilation systems for families that show great need. This will completely redesign what our time in Guatemala looks like, what we as Pease CRC will provide for them, and the relationships that we will create. This is an exciting time and we can't wait to share more! Please remember GAP in your prayers as well as in your giving this morning.

And
suddenly
there was
with the angel
a multitude of
the heavenly host
praising God,
and saying,
Glory to God
in the highest, and on earth
peace, good will toward men.

2:13-14
